## From the Match Director's Saddle

Here we go again. The 2018 Cowboy Action Match season is just around the corner. Weather permitting, we will hold our first Matches of the 2018 Season on April 7<sup>th</sup> and April 8<sup>th</sup>. The 2018 Schedule for both the Cowboy and Wild Bunch matches is attached to this newsletter and is also posted on the BPP website at [www.bristolcowboys.com](http://www.bristolcowboys.com). The Stages for the April Cowboy matches are posted on the BPP website. 2018 was another great year for the Bristol Plains Pistoleros. Your support of our club is greatly appreciated.

With the start of a new Shooting season it is a good idea to go over the SASS Shooters Handbook and review the rules. Consider taking your involvement in Cowboy Action shooting to the next level and becoming a SASS Range Officer. SASS RO Classes are held periodically in the area. For more information on becoming a SASS Range Officer please contact Pat Gannon AKA Shamrock at [shamrockgannon@live.com](mailto:shamrockgannon@live.com) or 701-399-6885.

In addition to sponsoring the Bristol Plains Pistoleros SASS Club the Conservation Club of Kenosha County CCKC also sponsors a National Congress of Old West Shootists (NCOWS) Posse called the Sweetwater Regulators. In 2018 three NCOWS Matches will be held at the CCKC Cowboy Range. Please visit the Sweetwater Regulators website at [www.sweetwaterregulators.com](http://www.sweetwaterregulators.com) or contact Johnny McCrae for more information.

We will continue to post CAS related items for sale in this Newsletter. If you have an item you wish to sell or are looking for a specific item, please contact Johnny McCrae. A few pictures and a description along with your contact information are all that's needed.

It is our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.
