From the Match Director's Saddle

Our August 2018 Cowboy matches are now in the history books. It was warm and humid but sixty Shooters braved the weather to shoot Saturday and Sunday's matches. The Bristol Plains Pistoleros greatly appreciates everyone's fine support of our Club.

A group of Young Marines held a very impressive Flag raising ceremony prior to the start of Saturday and Sunday's Match. It was great to see young people put on such a display of respect for our Flag. We are always impressed with the enthusiasm and vigor displayed when the Pledge of Allegiance is said before a Match!

For our September Cowboy Matches the lines will be from Old Cowboy songs. We hope you will recognize most of these tunes. The stages for September's Cowboy Shoot are now posted on the BPP website.

Both of the Wild Bunch Matches we had scheduled for the 2018 season were canceled due to the weather. We may be able to re-schedule a Wild Bunch Match in October. When you get a spare moment, please send us an email if you are interested in attending an October Wild Bunch Match.

If you have an item you wish to sell or are looking for a specific item to purchase, please contact Johnny McCrae. A few pictures and a description along with your contact information are all that's needed.

We are now past the half way point in the 2018 season. Time sure flies when you are having fun. It is always our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.

Please accept our Best Wishes for a safe and fun Labor Day weekend.

Huckleberry, Rusty, Johnny & Wolf Tracker
