From the Match Director's Saddle

Not too much to write about this month thanks to Mother Nature.

The Bristol Plains Pistoleros April 7th and April 8th Cowboy matches were canceled due to cold weather. We rescheduled these matches for the following weekend. The April 14th and April 15th Cowboy matches also had to be canceled due to the prediction of rain. Well it not only rained on April 14th and 15th but it also snowed. Lets hope that Mother Nature will be kind to us for the rest of the year. Our next Cowboy matches will be held on May 5th & May 6th. A Wild Bunch Match will be held on May 20th.

We are pleased to announce that Larry Brooks (Huckleberry) has been certified to teach SASS RO1 and SASS RO2 classes. Congratulations to Huckleberry.

Shamrock SASS #56840 and Huckleberry SASS #43860 will be offering the SASS Range Officer Courses in conjunction with the Reckoning on the Rock at the Beloit Rifle Club on Thursday May 31, 2018. The classes will be held from 8:00 AM until 5:00 PM. Both SASS RO1 and SASS RO2 classes will offered. Attached is a Flyer with more details. Please contact Pat Gannon AKA Shamrock at or 701-399-6885 for further information.

Take a look at Pages 4 & 5. We will continue to post CAS related items for sale in this Newsletter. If you have an item you wish to sell or are looking for a specific item, please contact Johnny McCrae. A few pictures and a description along with your contact information are all that's needed.

In addition to sponsoring the Bristol Plains Pistoleros SASS Club the Conservation Club of Kenosha County CCKC also sponsors a National Congress of Old West Shootists (NCOWS) Posse called the Sweetwater Regulators. In 2018 three NCOWS Matches will be held at the CCKC Cowboy Range. Please visit the Sweetwater Regulators website at www.sweetwaterregulators.com or contact Johnny McCrae for more information.

It is our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.
