## From the Match Director's Saddle

Our September 2018 Cowboy matches are now in the history books. Mother Nature smiled upon us and we had some of the nicest weather of the season for Saturday and Sunday's matches. The Bristol Plains Pistoleros greatly appreciates your fine support of our Club.

After our Sunday prayer Huckleberry gave a fine tribute to the people who lost their lives on 9-11. The American Flag was lowered to half mast in their memory.

One of the biggest challenges we have in this sport is attracting new Shooters especially younger Shooters. We are certainly open to any suggestions that you may have on this subject. We do have a full set of Club guns for people to use. Also please remember that we have a class called "Working Cowboy" where the Shooter uses one Pistol and a Rifle (no Shotgun). This can be helpful if you any physical issues (temporary or permanent) that make it difficult to shoot a Shotgun or shoot all four guns.

The stages for October's Cowboy Shoot are posted on the Bristol Plains Pistoleros website. A suggestion was made to give a Shooter the option to shoot a sweep starting in any direction. We will make every effort incorporate this into our stage writing.

Both of the Wild Bunch Matches we had scheduled for the 2018 season were canceled due to the weather. We may be able to re-schedule a Wild Bunch Match in October or possibly early November (weather permitting). When you get a spare moment, please send us an email if you are interested in attending an October or November Wild Bunch Match.

If you have an item you wish to sell or are looking for a specific item to purchase, please contact Johnny McCrae. A few pictures and a description along with your contact information are all that's needed.

Only two months left the 2018 season. Lets hope that Mother Nature continues to give us the wonderful weather we experienced at our September Matches. It is always our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.
